1 TO 2 DAYS BEFORE YOU MOVE

- Defrost the refrigerators icemaker/disconnected water line
- Disconnect gas lines to stove, dryer appliances
- Disconnect the washer water lines and dryer vent
- Disconnect all entertainment centers, TVs, cable boxes, phones, DVDs, CD players, computers, etc.
- Locate the old container box for your LED/LCD/plasma TV and place your TV back into it for your relocation to your new home (you will need one to protect it for the move to ensure that nothing happens to this expensive piece of equipment)

Protecting Your Television

Don't have your original TV Box that it came in when you purchased it? Threw it out? No problem with us. We can simply rent one to you, or you may purchase one of our exclusive EZTV Box Protection Kits.

Renting an EZTV Box kit for your move is only \$39.99 for the move. This is a low price to pay to ensure no damage comes to this expensive investment. This rental fee covers the additional labor we provide (placing the TV into the kit), the container used to package your TV for the move, and the move itself. Also included: adjustable Styrofoam inserts to adapt and protect any size TV.

Rent one for just \$39.99 or purchase it for:

- 42 to 52" flatscreen TVs in size for only \$129.99
- 52 to 62" flatscreen TVs for only \$149.99

These come in handy when it's time to move. Just ask one of our representatives for more information on renting our EZTV Box Kit or purchasing one.

Call Us! (877) 843-0102 toll-free to speak with one of our representatives to reserve your EZTV Box Kit.
